

AMERICAN COLLEGE OF NORWAY STUDY ABROAD SCHOLARSHIP

The American College of Norway (ACN) is celebrating 25 years of excellence in bringing Norwegians, Americans and other international students together to study in Moss, Norway. The ACN experience is designed to prepare students to succeed personally, socially and academically in a global environment. Furthermore, studying abroad at ACN is an opportunity for American students to experience a different culture and experience the daily excitement of living in Norway. Building on countless cross cultural experiences at ACN in addition to our 25th Anniversary, scholarship opportunities have been made available for students admitted to our Summer School 2018 and Fall 2018 semesters.
